Dear Green Team and Parents,

Here is the information regarding our planned trip for next spring break. The Green Team will take a trip to Orlando, Florida on April 7th-12<sup>th</sup>. We will be taking part in the Walt Disney World: Wild Africa Trek (A behind the scenes tour at Disney's Animal Kingdom) and Exploring Careers in the Marine Sciences (behind the scenes tours at Disney's Epcot). A tentative schedule for the trip was also given to your child. This trip is **NOT** mandatory for the students however we would like as many to go as possible. The payment schedule is listed below. Students will be conducting a fundraiser in the fall to help offset some of the cost for the trip but students are encouraged to raise their own funds separately. The deposit is non-refundable because we cannot get that money back from the travel company. Refunds for cancelation depend on the tour companies refund policy. Parent chaperone price is the same as the student price. Please indicate at the bottom if you plan to go as a chaperone. Unfortunately, Walt Disney World policy only lets students participate in the YES programs. We are asking that you sign and return a permission slip so that we will be able to plan appropriately for the trip. If you have any questions please call me at 910-455-1541. Thank you and we are looking forward to a great trip.
